

SADBHAVANA GRAMIN VIKAS SANSTHA(SGVS), WARDHA (MS)

**Swatchata Knowledge Partners under SBM 2.0
National Institute of Urban Affairs, Govt. Of India.**

About the organization

- Sadbhavana Gramin Vikas Sanstha, is a nongovernmental voluntary organization founded by a group of likeminded youths in 1996, to address the problems of deprived sections of community living in the rural as well as urban areas and improve their socio-economic conditions through strengthening their livelihoods through modern technology, capacity building & resources mobilization.
- **Vision: “Inclusive sustainable socioeconomic development through mobilizing resources with active participation of community & Stakeholders”**
- **Mission: “Strengthening and capacity building of deprived, underprivileged & marginal sections of the community through introduction of appropriate & innovative techniques with capacitating them in active participation in overall development process”**

The experience in strategic studies/ research/ assessments in the field of sanitation

- Organization is involved with District level administration to National level ministries in various studies, research, assessments in the field of sanitation. We have worked in Jalswarajya Project, Under Drinking water and Sanitation department Govt. of Maharashtra. We also worked in Swaccha Bharat Mission SBM SLWM as Technical service provider (TSP), implementation, IEC, DPR Preparation, Training, Survey, Technical Suggestions and support management. KRC in National Jal Jeevan Mission. The over view of the project implemented can be seen in following slides.

Overview of Capacity Building trainings undertaken in the last 5 years in core and non-core thematic areas of the Mission

SN	Trainings Under Project	Duration	Cost (In lacks)	Subject covered	Targeted Beneficiaries	No. of Trainings	No. of beneficiaries
1	Urban Sanitation Program, municipal corporation, Gadchiroli, Chandrapur and Nagpur district Govt. of Maharashtra	3 Years	50	Training about collection, segregation, composting, recycling and implementation of solid and liquid wastes..	SWACHATA RAKSHAK, members of municipal corporation etc.	50	2800
2	District Resource Organization (DRO) under IWMP project, Department of Agriculture, Government of Maharashtra.	6 years	19.21	Orientation, PRA, DPR, Integrated orientation, foundation training, refresher training on treatment of Soil & water conservation, project & finance Management, Convergence, Account & audit	Agriculture officer, Agriculture assistant, WDT member, Master Trainer, Account officer, account clerk, WC secretary, WC president, Sarpanch, Gram sevak, WC member, PIA.	75	2996
3	Rajiv Gandhi Irrigation & Agriculture Development Program, Irrigation Improvement Division, Water Conservation Dept. Govt. Of Maharashtra.	2 years	12.36	Conducting seminar/trainings/workshops for farmers, field trainings to farmers IWM, Handing over schemes to the WUA	WUA, Farmers, SHG, UGs.	20	761

S N	Trainings Under Project	Experience	Cost (In lacks)	Subject covered	Targeted Beneficiaries	No. of Trainings	No. of benefi ciaries
4	Jalyukta Shivar Abhiyan, Government of Maharashtra	2 years	8.35	In situ soil & Water conservation through convergence of MNREGA, Transparency in GIS technique, importance of geology in water management Water budgeting, village action plan, orientation.	Agriculture assistant, Sarpanch, Gram sevak, Jalsevak, farmers representatives, women SHGs, etc.	25	978
5	Jalswarajya Project, Under Drinking water and Sanitation department, Govt. of Maharashtra	4 years	15.85	Drinking water & Sanitation, safe & pure drinking water to all, convergence of Govt. schemes	Villagers, Farmers, SHGs,	40	1600

16	Mr. Pramod Patil	M.S.W.	9	<u>Community mobilization, PRA and RRA, Role of gramsabha in water Management</u>
17	Mr. Sudhakar Patil	Diploma in Civil Engineering.	15	Civil engineering survey, Cost estimates, budgeting, Civil work

Offices and training centers

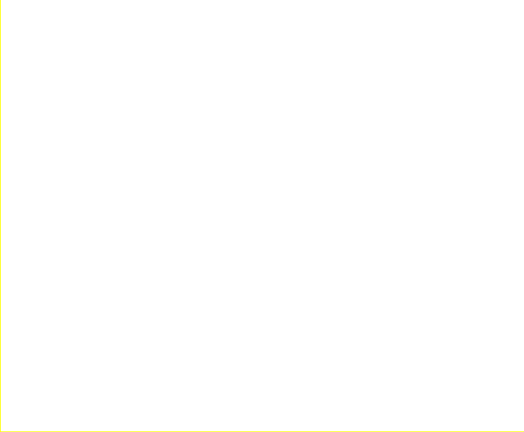

- Nagpur
- Chandrapur
- Wardha
- Punjab
- Gadchiroli
- Amravati
- Washim

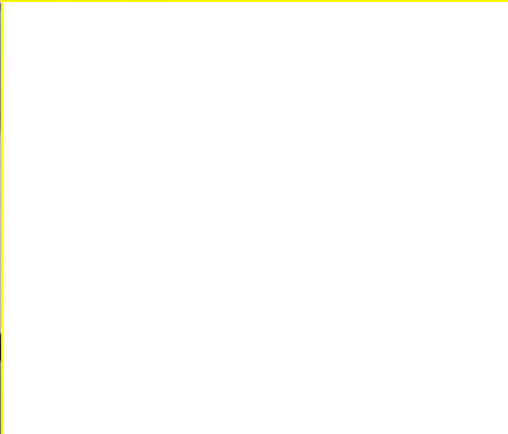

Infrastructure available for trainings

- Meeting hall.
- Projectors.
- Computers.
- In house food facility.
- Residential training facility.
- Network of NGOs.
- Good rapport with local governance.

Training Center Wardha

Experience in developing e-learning modules

Organization developed various online tools, syllabus and learning modules related with sanitation, watershed management, health and solid waste management, learning module for National JAL JEEVAN MISSION and SBM 2.0 etc.

SBM (G) Phase 1 Experience

1. ODF training for Sarpanch and Sachiv.
2. IHHL training for CHHTISGRAH.
3. SLWM training for Dy. Eng (WS), BDO, EO (P)
4. Inter personal communication (IPC) training for block level employ.
5. ODF training for Village Water and Sanitation comity (VWSC).
6. Capacity building training for VWSC.
7. General awareness training for AU, GP.
8. Training about MIS, BRC, GRAMSEVAK and SWACHATAGRAHI.

Preferred States/UTs for trainings

- Maharashtra
- Madhya Pradesh
- Chattisghar
- Telangana
- Andhra Pradesh
- Goa

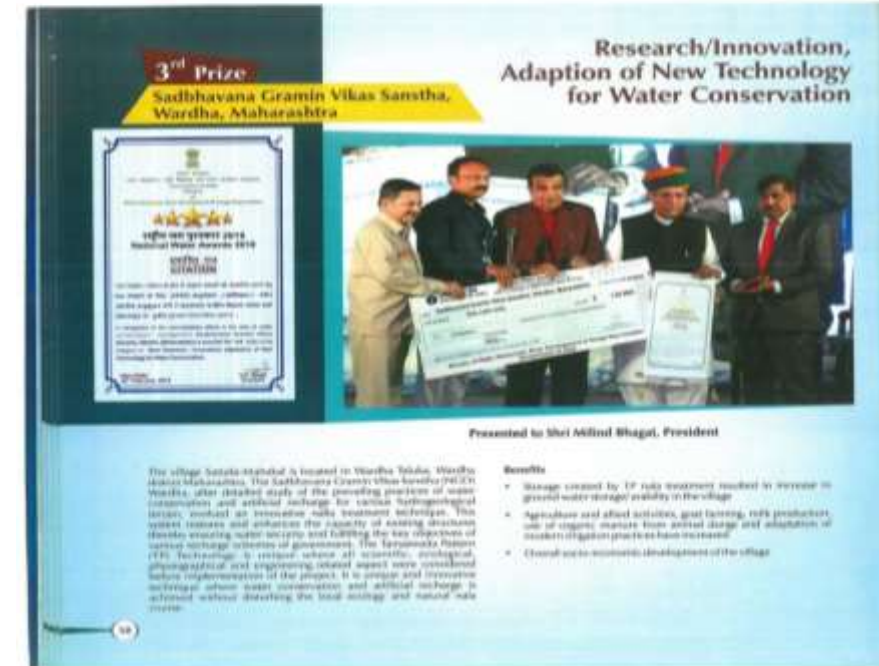

Achievements

Major achievement of SGVS relevant to the training and capacity building objectives under JJM.

1. National Water Award 2018 by Ministry of Jalshakti Government of India in recognition of the commendable efforts in the area of water conservation/management, in the category of best research/innovation/adoption of the new technology for water conservation date 25th Feb 2019.

Natioanal Award received Sadbhavana Gramin Vikas Sanstha Wardha for Best Research/Innovation/adpation of New Technology for Water Conservation

State Level Award for water conservation by Vasant Rao Naik Agriculture Research foundation Mumbai in year 2018.

वसंतराव नाईक कृषि संशोधन व ग्रामीण विकास प्रतिष्ठान मुंबई
राज्यस्तरीय जलसंधारण पुरस्कार – 2018
दि 1 जुलै 2018

वसंतराव नाईक जलसंधारण कृषि पुरस्कार मा. खा. श्री. शरद पवार माजी कृषि मंत्री भारत सरकार यांच्या हस्ते स्विकारतांना संस्थाध्यक्ष श्री. मिलींद भगत सोबत श्री. माधव कोटस्थाने

Award for enhancing community participation in Jalswarajya project by Water Supply & Sanitation Department Government of Maharashtra in year 2008.

Thank you
